The VIIth conference REV 2011 will be located at the ARO Palace Hotel (www.aro-palace.ro).

Keynote speakers
At this moment the following key note speakers have confirmed their attendance at the conference:

Dr. Rob Reilly – President of the IEEE Education Society and Chair of the Chapters and Regional Activities Committee

Dr. Ray Iunius - Professor of Business Management, Director of the Institute of Innovation and Entrepreneurship, Director of EHLITE media and next companies: National Instruments, Agilent Technologies and Fluke.

Topics of Interest
Topics of the conference include (but are not limited to): Virtual and remote laboratories • Remote process visualization and virtual instrumentation • Remote control and measurement technologies • Online engineering • Networking and grid technologies • Mixed-reality environments for education and training • Education and operation interfaces, usability, reusability, accessibility • Demands in education and training, e-learning, blended learning, m-learning, and ODL • Open educational resources (OER) • Teleservice and telediagnosis • Telerobotics and telepresence • Support of collaborative work in virtual engineering environments • Teleworking environments • Telecommunities and their social impacts • Present and future trends, including social and educational aspects • Human computer interfaces, usability, reusability, accessibility • Innovative organizational and educational concepts for remote engineering • Standards and standardization proposals • Products • Military wireless applications • Information security • Telemedicine • Renewable energy • Applications and experiences.

Conference language
English

Proceedings and facility
The proceedings will be published on CD by the International Association of Online Engineering (IAOE). Interesting papers may be published in the International Journal of Online Engineering (jJOE), www.online-journals.org/j-joe/.

Other opportunities to participate
Posters / thematic workshops / tutorials / technical sessions, as well as interactive demonstrations and exhibitions, may also be proposed. Prospective organizers of other REV2011 events are encouraged to contact the conference chair.
