2017 The 4th International Conference On Energy and Environment Research

July 17-20, 2017, ISEP(Polytechnic of Porto), Portugal

Welcome to ICEER 2017 | Porto

ICEER focuses on the state of the art technologies pertaining to Energy and Environment Research. The applications of Energy and Environment Research to such domains as astronomy, biology, education, geosciences, security and healthcare et al. It is a technical congregation where the latest theoretical and technological advances are presented and discussed. We expect that the conference and its publications will be a trigger for further related research and technology improvements in this important subject.
