Call for Papers

Experiment@International Conference 2017, (***exp.at'17***), http://expat.org.pt/expat17

exp.at'17 is the 4th event of the conference series *exp.at'xx*. The conference will be held at University of Algarve (*Campus* de Gambelas, Faro, Algarve, Portugal) on June 6-8, 2017, and it is a joint organization of the University of Porto and the University of Coimbra with the collaboration of the University of Algarve and with the technical support of IEEE and the Portuguese Engineers Association.

exp.at'17 provides a three-day (plus pre- and post-conference days) forum of discussion and collaboration between academics, researchers and industry and medicine professionals, trying to bridge the gap between academic applications and the real world needs and experiences. It offers to the participants an opportunity to present their recent work and to take part in technical sessions, workshops, exhibition sessions (Demos'17), discussion tables and thematic visits in the beautiful region of Algarve.
